AGENDA ITEM 10

CENTRAL BASIN WATER RIGHTS PANEL AGENDA REPORT

Date: March 13, 2025

To: Central Basin Water Rights Panel

From: Anatole Falagan - Water Rights Panel Chair

Subject: FY 25/26 PRELIMINARY BUDGET REVIEW

Recommendation:

Establish an ad-hoc committee to prepare a recommended budget for FY 2025-2026 and determine a recommended Assessment Fee for FY 2025-2026.

Discussion:

Every year, the Central Basin Water Rights Panel approves the Fiscal Year Budget for the following year. For the past three years the budget was approved before the start of the new Fiscal Year. Budgets commonly include revenue from the Panel's annual assessment billing to the parties of the Third Amended Judgment (all Central Basin water rights holders) and anticipated expenditures for services such as administrative/clerical, website fees, water meter testing program, as needed professional services, and legal.

The Central Basin Water Rights Panel budget for Fiscal Year 2025/2026 will need to be approved at the May 8, 2025 meeting. As such, this item has been placed on the agenda for open discussion of any issues that may need to be addressed in the development of the new fiscal year budget and determining the Assessment Fee for FY 2025-2026.

Furthermore, to bring more Panel members input into the budget development process, it is requested that the Panel consider creating a three-person ad hoc committee to develop a draft budget.
